Motion of Mr. Hamilton that the Treasurer's report be accepted, was recorded by Mr. Crane, and carried.

Mr. Hillier then asked for suggestions in regard to ways and means of increasing the number of subscribers. Informal discussion followed. A practical suggestion was made by Mayor Monahan, which was that each member of the Association make an earnest effort to secure one or two subscribers. Mr. Crane suggested that the number be three. However, it was thought best not to undertake this until subscriptions would be due for the coming year — June 1, 1936. Mr. Hillier said he would appoint a committee to arrange ways and means for the membership drive.

Mayor Monahan expressed his interest in the Library, and signified his willingness to be of service. He also said he would co-operate in regard to delinquent borrowers.
